HELP US WORK TO END PERIOD POVERTY

The Junior League of Tulsa is committed to working to end the cycle of poverty. With our 3rd Annual Period Product Drive this Find the Good Day, JLT is targeting period poverty and working to ensure access to menstrual products for women and girls in need throughout our community.

Period.org reports that 40% of menstruating adults in the US and 25% of students struggle to afford period products. As a result, many miss school or work, negatively impacting their well-being.

It doesn't have to be this way. Join us in caring for our neighbors by contributing period products today! Donations will be distributed to the women and students who need them via Resonance Center for Women and the Tulsa Period Pantry.
